# ENGINE TYPE 125 MAX , PROD. 2009

Engine-Configuration-No.:	39.125.1301
Description of engine:	125 cc, 2-stroke, reed valve engine, water cooled
with:	digital ignition system balance shaft pneumatic exhaust valve integrated water pump integrated thermostat integrated electric starter centrifugal clutch with 12 teeth sprocket
with accessories:	intake silencer with air cleaner Dell'Orto carburetor VHSB 34 pneumatic fuel pump exhaust system radiator with cap battery 12 V cable harness start button on-off switch chain guard battery charger ROW connector for battery charger battery box assy. DENSO Iridium spark plug
without	engine mount adapater cable for battery charger for local AC plug
<b>CENA (price/unit):</b>	<b>EUR 1.942,00 + DDV = 2.330,40 eur</b>

<b>ENGINE TYPE</b>	<b>125 Junior MAX</b>	<b>, PROD. 2009</b>
--------------------	-----------------------	---------------------

Engine-Configuration-No.: 39.0125.130

Description of engine: 125 cc, 2-stroke, reed valve engine, water cooled

with: digital ignition system  
balance shaft  
integrated water pump  
integrated thermostat  
integrated electric starter  
centrifugal clutch with 12 teeth sprocket

with accessories: intake silencer with air cleaner  
Dell'Orto carburetor VHSB 34  
pneumatic fuel pump  
exhaust system  
radiator with cap  
battery 12 V  
cable harness  
start button  
on-off switch  
chain guard  
battery charger  
ROW connector for battery charger  
battery box assy.  
DENSO Iridium spark plug

without engine mount  
adapter cable for battery charger for local AC plug

**CENA (Price/unit) : EUR 1.829,00 + DDV = 2.194,80**

**ENGINE TYPE****125 Mini MAX**

Engine-Configuration-No.: not available as engine configuration, base is a 125 Junior MAX engine which needs to be "downgraded" by below mentioned restrictors.

Description of engine: 125 cc, 2-stroke, reed valve engine, water cooled, restricted by intake restrictor (19 mm) and exhaust restrictor (22 mm) for lower performance.

Exhaust socket  
part number: 273 972  
**CENA (Price/unit): EUR 15,50 + DDV =18,60 eur**

Intake restrictor  
part number: 267 535  
**CENA (Price/unit): EUR 16,51+ DDV =19,81 eur**

**ali**

part number: 267 530  
**CENA (Price/unit): EUR 39,72 + DDV =47,66 eur**

**ENGINE TYPE****125 Micro MAX**

Engine-Configuration-No.: not available as engine configuration, base is a 125 Junior MAX engine which needs to be "downgraded" by below mentioned downgrade kit 125 Micro MAX.

Description of engine: 125 cc, 2-stroke, reed valve engine, water cooled, restricted for lower performance by a combination of different parts (exhaust, port timing, squish,...) which are included in the downgrade kit.

Downgrade kit 125 Micro Max: part number: 281 555

**CENA (Price/unit):** EUR 151,60 + DDV =**181,92 eur**

**Note:** **Single parts of the kit are available, you will find part numbers in the 125 MAX spare parts list.**

**ENGINE TYPE****125 MAX DD2****, PROD. 2009**

Engine-Configuration-No.: 39.0125.200

Description of engine: 125 cc, 2-stroke, 2-speed-, reed valve engine, water cooled

with:

- 2-speed gearbox
- digital ignition system
- balance shaft
- pneumatic exhaust valve
- integrated water pump
- integrated thermostat
- integrated electric starter
- centrifugal clutch (in oil bath)
- ESA (Electronic Shifting Assistance)

with accessories:

- intake silencer with air cleaner
- Dell'Orto carburetor VHSB 34
- pneumatic fuel pump
- exhaust system
- radiator with cap
- battery 12 V
- cable harness
- start button
- on-off switch
- battery charger
- ROW connector for battery charger
- battery box assy.
- DENSO Iridium spark plug
- hub for steering wheel
- shift paddle for gear shifting.
- cable bowden for gear shifting

without

- engine mount
- adapter cable for battery charger for local AC plug

**CENA (Price/unit):**                    **EUR**                    2.449,00 + DDV = **2.938,80 eur**
